PEOPLES REPUBLIC OF KAMPUCHEA:

BIOGRAPHIC INFORMATION ON OFFICIALS

[Information obtained from Peoples Republic of Kampuchea Phnom Penh Domestic Service radio broadcasts unless otherwise specified.]

To the Reader .....	1
Alphabetical List of Officials .....	1
Organizational List of Officials .....	69

**To the Reader:**

This volume is an update of JPRS-SEA-86-079 of 6 May 1986. For the convenience of the reader, we have included a list of officials by organization which follows the alphabetical listing. The information is current as of 24 February 1987.

The list of People's Republic of Kampuchea government and party officials has been compiled using data gathered from the PRK's Phnom Penh Domestic Service radio broadcasts in Cambodian unless otherwise specified. Other than through comparisons with printed sources such as SPK, VNA, or KPL the spellings of the names published herein cannot be confirmed. There are no regular receipts of PRK print media sufficient to determine the validity of the transliterations. Names in parentheses are phonetically rendered.

Names have been simplified by dividing each individual name into two components; the first is the family name and the second is the given name. The only exception is Hor Nam Hong.

The following are expansions for some commonly used acronyms:

SPK	Sapordamean Kampuchea [PRK press agency]
VNA	Vietnam News Agency [SRV press agency]
KPL	Khaosan Pathet Lao [LPDR press agency]
KNUFNS	Kampuchean United Front for National Salvation [PRK front since undergone a name change to KNUFCD]
